

The illustration features a blue grid background. On the left, an elderly woman with white hair, wearing a blue shirt and white pants, is playing a red acoustic guitar. On the right, a young man with black hair, wearing a white t-shirt and blue headphones, is listening to music with his eyes closed. In the top left, there are yellow musical notes and a heart. In the top right, a yellow musical note is connected to a dashed white line that loops around. A piece of brown and white checkered tape is at the top of the central text box. A dashed white arrow points from the guitar towards the author's name.

Popular Music Streaming Platforms

Jen Schlegel

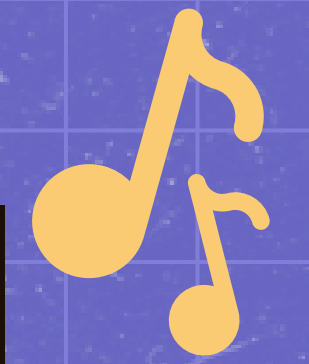

Spotify

- AI DJ: Personalized music curation based on your listening habits.
